

Parking area map shows the various lots where you can park for the race at no charge. The Lion's Club parking is weather dependent; if the ground is soft, we will not be allowed to park there. Follow the black and yellow Lake Geneva Tri parking signs.

- Calvary Church – Highway 67 and Harris Rd.
- Lion's Club House – Highway 67 and Stark St. (west side)
- Gage Marine – Highway 67 and Cherry St. (east side)
- Lakefront Lot – Harris St. and East Geneva St.
- Williams Bay High School – Highway 67 and Theatre Rd.  
(Shuttle bus service all day long to and from Transition area)
- There are also plenty of free parking spaces on the streets in the surrounding neighborhoods.

**Staging Area–East Geneva St. (across from Edgewater Park)**

There is one lot (Staging Area) that is directly across the street from Transition that will allow 15 minute parking so you can drop off your bike and gear in the secured Transition area, go elsewhere to park your vehicle, and then return to Transition.
